BUSINESS DESCRIPTION

Gogone S Trading and Projects is a 100% black woman owned entity which is on a BBBEE compliant level 1 status, Gogone's operations, product offerings, target market, competitive advantages, and future plans. It highlights our dedication to quality, innovation, and sustainability in meeting the needs of our clients.

EXECUTIVE SUMMARY

Gogone is a leading provider of high-quality corporate work wear, personal protective clothing, Corporate Gifts and stationery products. Established in 2009, our company is headquartered in Kathu (Northern Cape) and has grown to serve a diverse range of industries including corporate sectors, construction, manufacturing, education, healthcare, and retail. We also provide construction renovation and building maintenance services, supported by an NHBRC Certificate, as well as the supply and delivery of petroleum items and related consumables.

Gogone S Trading and Projects is mostly operating in the form of supplying and delivery of goods and has been doing this since inception of the company.

Looking ahead, we plan to expand our product lines, enter new markets, and invest in technology to enhance product quality and customer experience. We are also committed to setting ambitious sustainability goals and enhancing customer engagement through innovative strategies.

1

VISION, MISSION AND VALUES

MISSION

- To provide high-quality, reliable, and stylish corporate work wear, personal protective clothing, and stationery products that meet the needs of businesses and professionals across various industries.. Our service offering also includes construction renovations, building maintenance and petroleum item supply.

VALUES

- To be a leading provider of corporate apparel, PPE, and stationery, known for our innovation, quality, and exceptional customer service.

VISION

- **Quality**: Commitment to superior quality in all our products.
- **Innovation**: Continuous improvement and innovation in design and manufacturing.
- **Customer Focus**: Prioritizing the needs and satisfaction of our customers.
- **Integrity**: Upholding the highest ethical standards in all our business practices.
- **Sustainability**: Promoting environmentally friendly practices and products.

- **Calendars and Planners**: Tools to help professionals stay organized and manage their time effectively.

ADDITIONAL SERVICES & CAPABILITIES

4. Construction Renovations & Building Works

Gogone S Trading and Projects provides construction renovation and building maintenance solutions for commercial, institutional and residential properties.

Our renovation scope includes general building works, painting, tiling, plastering, ceilings, partitioning, minor structural works, plumbing, electrical works, repairs, refurbishments and related maintenance services.

We focus on safe, quality workmanship, professional project coordination and timely delivery in accordance with client specifications and applicable construction requirements.

NHBRC Certificate: Gogone S Trading and Projects has an NHBRC Certificate supporting its construction and renovation service offering.

5. Supply of Petroleum Items

Gogone S Trading and Projects also supplies and delivers petroleum-related products and consumables to clients, subject to applicable specifications, quantities and delivery requirements.

Product categories may include petrol, diesel, paraffin, lubricants, engine oils, hydraulic oils, greases, coolants and other petroleum-related consumables and accessories.

Our supply and delivery approach is designed to support construction, mining, transport, industrial, municipal and other operational environments requiring reliable petroleum products.
